Jake,

We should have the sampling plan very soon. I will let you know when we have received it.

We are still negotiating access but I will let you know when we get a final answer. There are a few areas in particular that we may need your help in sampling.

Thanks,

Justin,
Could you please provide an update.

1. Do you have a sampling plan you can share with us. Locations?
2. Did you get the access from Berwin?

Thanks
